**Job: Keep an eye on all booths, AND protect the privacy of voters! eSlate Officers work closely with JBC Officers.**

From a distance, check the background color of the eSlate Screens:

- BLUE: Ballot is not activated - Voter either has not started or has finished voting. You may approach a booth with a blue screen to assist a voter.
  - WHITE: Ballot is activated. Voter choices may appear on screen. If the screen is white and a voter asks for assistance, the ***Request for Assistance*** form must be completed.
- Direct each voter to the available booth.
  - Remind Voter that he/she may ask for assistance at any time.
  - Remind Voter to press **CAST BALLOT** (red) button (on *machine*, not on screen) when finished.
  - Check voting booth to confirm that ballot has been cast and remove any extraneous materials.
  - Offer an "I VOTED" sticker to each exiting voter.

### **CANCEL A VOTING BOOTH *Call the Chief!***

1. On JBC Press ► **Other**
2. Press ► **Cancel Booth.**
3. Enter the Booth Number to cancel.
4. Have eSlate Officer go to that booth and press **ENTER** on the eSlate
5. On the JBC, press ► **Continue.**
6. Press ► **Polls Open Menu.**
7. Record cancellation on Canceled Booth Log on JBC Envelope and Report to Poll Book Count Officer. This cancellation **WILL** affect the Voter Count Reconciliation, and needs to be explained. Voter Count Reconciliation Form should be marked "Voter left without casting ballot."

**HELPING A VOTER:** If a voter has started voting and asks for help, or if JBC Officer advises that a voter has pressed the **HELP** button, assist the voter as follows:

- Stand beside the privacy screen to protect the voter's secret ballot.
- Ask the voter how you may assist.
- If necessary, ask the voter to press the **ENTER** button while on the blue HELP page to return to the ballot.
- Try to talk the voter through the process.
- If the voter decides that he/she wants personal assistance, work with Poll Book Officer to get a **Request for Assistance** form completed and signed. The Poll Book Officer will put an "**S**" flag mark in poll book next to the voter's name.  
**Do not go behind the voter and view the screen without BOTH the voter and officer signing the Request for Assistance form.**
- If a voter leaves without casting a ballot (fleeing voter) and cannot be called back to finish voting, call the Chief and work with the JBC Officer to cancel the booth. Chief will note cancellation in the Chief Notes and on Voter Count Reconciliation form.

### **VOTER REQUESTS ASSISTANCE – (Accessibility in What-Ifs Reference)**

1. **Voter is physically or educationally disabled:** Use a *Request for Assistance* form if the voter asks for assistance. Do not ask the voter the nature of the disability. **ANY ASSISTANCE THAT REQUIRES SOMEONE OTHER THAN THE VOTER, INCLUDING AN ELECTION OFFICER, TO SEE THE VOTER'S BALLOT REQUIRES THIS FORM.** The voter may choose anyone in the polling place to serve as an assistant – except authorized party REPS or neutral observers authorized by the Electoral Board.
2. **Blind Voter:** A blind voter is not required to sign the *Request for Assistance* form, but the person assisting him/her must complete the following:  
**Section A** - On the voter's signature line write "**Blind Voter**" and print the voter's name.  
**Section B** - The person assisting must sign and print his/her name and address.
3. **Voter Unable to Sign** (physical disability)  
**Section A** - On voter's signature line write "**Voter unable to sign**" then print voter's name.  
**Section B** - The person assisting must sign and print his/her name and address.

### **AUDIO BALLOT – eSlate & JBC Officer**

The Audio Ballot is on the DAU (Disabled Access Unit) eSlate voting machine which has a red stripe on the handle and is the last machine in the row. If a voter has accessed a ballot on a regular eSlate but decides he/she wants the audio ballot, ask the JBC Officer to cancel the eSlate booth and get a new access code. When the new access code is issued, the eSlate Officer will direct the voter to the DAU.

To Cancel the eSlate Booth **Call the Chief!** (Pg 21)

## **AUDIO VOTING INSTRUCTIONS – eSlate Officer**

- Plug in headset
- Tell voter to put head set on and listen for the instructions
- Show voter the location of the volume control

**IF A VOTER DOES NOT CAST A BALLOT** - *Tell the Chief Election Officer. The Chief will cancel the eSlate Booth. See page 21.*

### **RELIEF OFFICER (IF ENOUGH ELECTION OFFICERS ARE AVAILABLE)**

- Serve as an extra eSlate officer, keeping an eye on the booths,
- Provide relief to an officer needing a quick break,
- Stand outside the door as an additional Greeter if lines are long.

Every officer will rotate through all the positions according to the schedule set by the Chief Officer. The Chief (or an Assistant) will not rotate in order to be available to resolve any issues that arise.

## **ELECTION PAGE**

Election pages from the high school government class will be assigned duties by the Chief. Pages may not touch official election materials but may serve as greeters and/or may do some of the duties of eSlate officers, such as giving out “I Voted” stickers. Pages should be encouraged to observe as much of the voting process as possible.

### **CLOSING THE POLLS - 6:45 P.M.**

Verify time, and at 6:45 p.m. announce, **“The polls will close in 15 minutes.”**

#### **After Polls Close (§ 24.2-655) Who to Allow In Polling Place**

- Two reps of each Political Party with a nominee on the ballot
- One rep of each Independent Candidate on the ballot

After the polls close, if there are fewer than four reps (in total) at the polling place who request to be present while the votes are ascertained, the officers shall notify any bystanders, and select one or more bystanders to be present with any reps so that there are as many as four (total) bystanders and reps present during the count.

Selected bystanders have the same rights and must follow the same rules as reps, and like reps shall remain until the returns are completed.

Write-in candidates are not entitled to reps at any time, but may use the bystander provision to get their observers into the polling place during the count if there are fewer than 4 reps at the polling place after the polls close.

### **7:00 P.M.**

- At 7:00 p.m. announce, **“The polls are closed.”**
- Locate the last eligible voter in line.
- Write a list, starting with the last person in line and working forward. Everyone on this list is allowed to vote.
- Admit authorized representatives. Explain that representatives may not leave the polling place nor communicate with anyone outside until the tabulation of results has been completed.

**Chief** will assign election officers tasks, including preparation of Statement of Results (SOR), removing signs, packing envelopes, and packing and loading voting equipment onto carts.
